INCLUDED IN PROGRAM TUITION

Program Tuition: Program tuition is based on agreements, foreign currency rates, tariffs, and taxes in effect prior to the program departure date. The program tuition rates are in U.S. dollars.

International airfare and other transportation: Roundtrip coach class international airfare from and returning to the city of Seattle, U.S. is included in the program tuition; such fares include all applicable taxes and fees. Additionally, all necessary transfers and all scheduled program activities outside of the U.S. using rail, ship, and motor coach are included in the program tuition.

While air-inclusive prices are current as of February 1, 2010, program tuition may be higher at the time you enroll for the program. All air-inclusive prices are subject only to additional fuel surcharges passed on by airlines before payment is made in full. In addition, some airlines may also charge an excess baggage or weight fee, which is not included in the program tuition and shall be the sole responsibility of the applicant.

Accommodations: Hotel, University and outdoor or indoor adventure accommodations will be used. Rooms with private bath or shower and toilet will be furnished.

Meals: Three meals per day, beginning with the first international flight and terminating upon arrival in the United States, are included in the program tuition. Meals on international flights are provided by the airlines.

Tips and Taxes: All tips and taxes levied by hotels, restaurants, and local governments, including airport taxes, where such tips and taxes are the same for all applicants of the group, are included in program tuition. Additionally, tips to guides and drivers are included in program tuition.

Baggage: Applicants are at all times responsible for handling their own luggage. Luggage will be limited to one checked piece and one carry-on piece. Checked luggage cannot exceed 40 pounds. All personal belongings are the responsibility of the applicant. ANC Consulting ("ANC") will not be responsible for lost belongings including luggage, or the cost to replace such items.

Group Insurance: Group health and emergency health coverage is included in the program tuition. The Medical Protection Plan provides basic accident and sickness insurance coverage.

Departure Date: ANC will consider applicant's school term closure dates when scheduling a program departure date. Applicants agree to accept any assigned departure date that does not interfere with the official school term. Departure date will be confirmed approximately 60 days prior to the program departure date.

All applicants are solely responsible to obtain re-entry documentation required for their country of residence. A non-refundable Late Payment Fee \$25 will be assessed for each payment not received by ANC by the scheduled due date. Any payment that is returned or dishonored for non-sufficient funds, a stop payment order, credit card expiration, closure of account, or for any other reason, will be subject to a non-refundable Returned Payment Processing Fee of \$25. If a credit card is used as the payment method, the applicant should be aware of the credit card expiration date. It is the applicant’s responsibility to notify ANC and to update his/her account. If the credit card expires, a Returned Payment Processing Fee will be charged to the applicant’s account.
